1. Program vision

The College of Law at the University of Warith Al-Anbiyaa spires to be a solid academic edifice, and to occupy a prominent position in providing higher education and distinguished scientific research in the legal field, in order to .rise to the ranks of well-known colleges locally, regionally and internationally

2. Program message

Preparing qualified and trained graduates who possess legal mental capabilities, research and professional skills to advance legal tasks and support governmental and non-governmental institutions, and provide research and advisory services to meet the current and future needs of society while .strengthening academic ethics

3. Program objectives

- Preparing qualified graduates to support public service in the state's administrative apparatus, and preparing lawyers to undertake the achievement of justice.
- Working to spread legal culture through scientific conferences and seminars, publishing research and articles, and writing books.
- Working to encourage scientific research, provide facilities, and create an appropriate environment to motivate researchers to complete research .
- Building the student's distinguished personality in knowledge, thought and morals by setting a good example and arming him with creative professional skills.
- Providing the state authorities (legislative, executive, judicial) with the necessary proposals for their work, such as draft laws and preparing legal studies.
- Providing legal advice to individuals, civil society organizations, and administrative and political bodies, and making the college a scientific center for spreading legal culture.

- Interest in Islamic jurisprudence and disseminating the opinions of jurists in all fields.
